Rejections Under 35 USC 102 and 103 Over Vogel

The Office Action rejects the claims under 35 USC 102 and/or 103 over Vogel, et al. (US 5,532,023). The Examiner points out at page 2, paragraph 3 of the previous Office Action dated 09/14/2004 that "the teachings in Vogel et al. fail to teach or suggest a particular pH range and there is no motivation provided by the prior art that would render such a range obvious". Applicant amends the claims to insert a pH range of from about 9 to about 10.5. Applicant respectfully submits the claims are now allowable.

CONCLUSION

Early and favorable action in the case is respectfully requested.

Respectfully submitted,
THE PROCTER & GAMBLE COMPANY
